ARTICLE XXIX - PERSONNEL FILES

A. A personnel file shall be established and maintained for each employee covered by this Agreement. Such files are confidential records and shall be maintained in the Office of the Director of Public Safety and may be used for evaluation purposes by the Director of Public Safety, Mayor, Chairman, Police Committee and/or Governing Body.

B. Upon advance notice and at reasonable times, any member of the Police Department may at any time review his personnel file. However, this appointment for review must be made through the Director of Public Safety or his designated representative.

C. Whenever a written complaint concerning an officer or his actions is to be placed in his personnel file, a copy shall be made available to him and he shall be given the opportunity to rebut it if he so desires, and he shall be permitted to place said rebuttal in his file. When the employee is given a copy of the complaint, the identification of the complaint person or material that would help identify him/her shall be excised. However, if any disciplinary action is taken based on any complaint, then the employee shall be furnished with all details of the complaint, including the identity of the complainant.

D. All personnel files will be carefully maintained and safeguarded permanently, and nothing placed in any file shall be removed therefrom. Removal of any material from a personnel file by any member of the force shall subject the member to appropriate disciplinary action; subject to right of governing body to update files, discard obsolete materials and the like.

E. Each employee shall keep track of his own accumulated vacation days, holidays taken, sick days, and any other time which is available to the officer. In case of doubt, he may consult the Director of Public Safety for verification of same at reasonable intervals.
